

UNITED STATES TENNIS ASSOCIATION

The Olathe JTL is pleased to announce a partnership with Tim Oberhelman, a USTA Certified Instructor, that he can conveniently before we have JTL practices and matches. Even though these lessons are separate from the Olathe JTL Practices and Matches, this will provide our community families a very unique opportunity to experience high quality tennis instruction without being a part of an expensive club.

Coach Oberhelman has been teaching tennis for 33 years throughout the city and state. He is a 4-time Boys High School Coach of the Year in Kansas and 5-time Boys Regional Coach of the Year in East Kansas. Before teaching tennis, Tim played at JCCC 1981-1982 and walked on at K-State in 1983. Most recently, Coach Oberhelman is currently the Director of Junior Tennis at KC Racquet Club. Coach O's passion for teaching equally exists at Olathe West High School where he teaches Environmental Science. If he's not on the court, he's probably teaching students in the garden or in the greenhouse!
